

Participation Record

Ages 0-8

This form may be used to record learning activities that children participate in. The objective for children younger than 8 is to experience the JOY of learning, therefore participation is the key. Simply check off or record activities when completed. After children reach the age of accountability (8 years old), they will be evaluated for their work, but at this age they may simply enjoy participating.

<p>Heart: Includes family history, family values, religious activities, scripture reading, and service activities.</p> <p>_____ Notebooking: My Family</p> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>	<p>Mind: Includes science, language arts, reading, and math achievements.</p> <p>_____ Notebooking: My Beautiful World</p> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>
