The number directly after a letter (ex. S3) indicates which library to access. In this case, you would look in the online library associated with the third book in the Story Hour Series. The books are numbered. If there is an additional number (ex. S3-13), it indicates it's a story within the printed volume. In this case, it would be Stories of Imagination in the Story Hour Series, page 13.

FC indicates Forgotten Classics, identifying the stories found in the printed books of the Forgotten Classics Family Library.
